June 2019

Dear Parents,

On Wednesday 17<sup>th</sup> July we will be having a 'Geography Day' in school. During this day, all of the children will be focussing particularly on coasts and seaside resorts and they will be carrying out a variety of geographical activities. For part of the day, the children will have the opportunity to play some games you would play on the beach and they will all receive an ice-lolly from the P.A. Since the theme is the seaside, we would like the children to come into school in 'beach wear' on the day.

Should you have any queries, please do not hesitate to contact me.

Yours sincerely,

Mrs Bevins  
Geography Co-ordinator
