11th January 2017

Dear Parents,

Community Defibrillator Training in Hall – Thursday 18th January (2.30pm)

As you are probably aware, our defibrillator has now been installed next to the outside gate to the School in Carnforth Road. This will provide the local community with access to this excellent life-saving equipment 24 hours / day, 365 days / year. The cost of installing the defibrillator was met thanks to a £1,000 grant from Bromsgrove District Council's New Homes Bonus along with over £600 raised by the children during last Summer's Sponsored Walk.

A free training session on how to use the equipment, to which anyone from the local Community is invited, will take place from 2.30 – 3.00pm on Thursday 18th January in the School Hall. If you would like to book a place, please call the office on the number listed above. Should you need to access the equipment, call 999 and you will be given the code to unlock the box.

I would like to say a big thank you to Juliette Fleming and Caroline Spencer who worked together on submitting the application for the grant, Mr Mason for obtaining quotes and coordinating the installation and our children, their families and friends who supported last Summer's Sponsored Walk.

Year 3 Swimming

I would like to remind parents of children in Year 3 that there will not be a Swimming session on Tuesday 16th January as many of the children, who attend Dance Club, will be taking part in the Dance Festival in Kidderminster.

Diary Dates

Please find, attached, an updated list of Diary dates, which we trust you will find useful.
