*We care, we share, we learn and achieve*

20<sup>th</sup> October 2017

Dear Parents/ Guardians,

### **St. John's Ambulance Visit**

On Wednesday 8<sup>th</sup> November 2017, Year 4 will be visited by St. John's ambulance for a course in First Aid. They will take part in various activities throughout either a morning or afternoon session. These activities include: learning how to assess a location for danger following an accident; how to place a person into the recovery position and how to bandage injuries in different ways. This is something that the children always thoroughly enjoy, especially coming home with the bandages still attached to them! We feel that the children benefit greatly from learning these valuable life skills.

### **Cooking Workshop**

On Thursday 9<sup>th</sup> November 2017, Year 4 will be visited by a member of staff from the Royal Academy of Culinary Arts for a Taste and Sensory session. This will be the first of three sessions from this company throughout the year. There will be no fee for these sessions and the children will be actively involved in tasting and cooking in the different sessions.

### **Maths Challenge Day**

During Maths challenge day, the Year 4 children will be constructing a model of a castle with their table using 3D nets. If the children would like to bring in anything to accompany their model they are more than welcome. They might like to bring in extra cardboard, kitchen rolls, felt etc. We will provide the children with some materials such as sugar paper, tissue paper and smaller pieces of card. Any support with this is greatly appreciated.

Yours sincerely,

Miss Morton and Miss James  
Year 4 Teachers
