Dear Parents,

PA Fete – Thank you

I would like to say a huge thank you to all the parents, staff and friends of the school who supported the PA Summer Fete on the afternoon of Saturday 23rd June. The event was extremely well attended and an enjoyable afternoon was had by all. I would like to say a special thank you to the PA Committee for organising the whole event and to all those parents, staff and children who helped to set up, to run stalls and to clear up at the end. I would also like to thank the many companies who donated prizes for the raffle and the parents for helping to sell raffle tickets and for their donations of cakes and tubs. The Fete managed to raise the amazing amount of £2,589, which was a fantastic achievement in a year when we were not able to access the School Field.

Summer Reading Challenge

The “Summer Reading Challenge” was launched recently at all public libraries in Worcestershire.

The scheme is a national initiative aimed at 4-12 year olds. It is designed to improve children's literacy, to promote the concept of 'reading for pleasure' and to retain their reading habit across the summer holidays. This year's theme is "Mischief Makers". Further details can be found in the link below.

Monday 2nd July – School closed for Teacher Training

Please can I remind parents that the school will be closed for staff training on Monday 2nd July.

Year 4 - £5 Challenge

I would like to remind parents that tomorrow afternoon the children in Year 4 will be setting up their stalls for the ‘£5 Challenge’. Each group of Year 4 children have been given £5 to set up a stall, with the purpose of raising money for a school in Kenya. These stalls include fairground games, refreshments and small items to buy. During the afternoon, the children from Year 2 and 3 will have the opportunity to visit the stalls and make purchases. All of the stalls will be priced from 5p - £1. If you would like your child to participate on this day, please send your child in to School with some small change.

The stalls will also remain open at home time, allowing parents and younger siblings to visit too. You can find out more about the charity that the children are supporting at their website www.ACEF.uk.com. We hope that this will be an exciting and successful event that the Year 4 children will remember in their last year at Finstall.

Thank you for your continued support.

Yours sincerely,

Stuart Evans
