Dear Parents,

Instrumental Tuition

We are once again able to offer instrumental tuition for children in Year 3 and 4 during the school year 2017-2018 for the violin, clarinet, keyboard, cello and guitar.

As we did last year, we shall continue to organise the arrangement of lessons in order to keep the tuition fees to an absolute minimum.

The children will be taught in small groups of three, four or five pupils for approximately twenty or twenty five minutes each week, depending on the size of group.

The cost of tuition is based on the number of children participating and we expect parents to commit themselves to a year's tuition to be paid for at the beginning of the academic year.

To give you some idea of the tuition fees, if six pupils opted to learn to play the violin, the cost of that tuition would be £155.00 for the whole year or £4.42 per twenty minute lesson in a group of three. A group of four children would have a twenty five minute lesson and the cost would be £146.50 for the whole year or £4.18 per lesson. This figure is dependent on the number of children wishing to play a certain instrument.

If your child is presently receiving lessons, please could you also return the attached sheet if you wish your child to continue having lessons for the next academic year.

Please can you return the attached form by **Monday 3rd July** so that we have an idea of how many children are interested in learning to play an instrument during the academic year 2017-2018.

Over the last few weeks the children in year 2 have had a demonstration from the various instrument teachers so that they can decide which instrument they are interested in playing.

Yours sincerely,

Stuart Evans
