

Instructions for Christmas Crackers

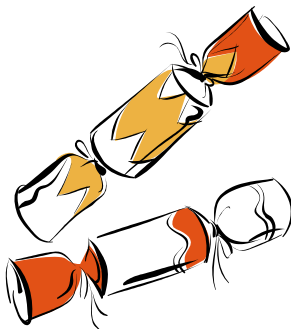

Tools you will need:

- Scissors
- Tape or glue
- Paper and card
- String or ribbon
- Toys, sweets, jokes, hats
- Decorations

1. Lay outer paper on flat surface and overlay with card in the middle B area. (or simply use a pre-formed tube)
2. Roll up to form a tube and secure with glue / sticky tape along the edge.
3. Secure one end of the cracker with string or ribbon.
4. Hold cracker with open end upward and drop in the contents. (toys, sweets, joke, hat etc anything suitable for children)
5. Secure the open end to match the first one.
6. Decorate the outside with a design of your choice – Be creative!

Crackers can be any size and colour you wish, we really hope you have lots of fun designing and creating your Christmas crackers!

Paper / Card layout.
