**HEADTEACHER: Mr Stuart Evans**

*We care, we share, we learn and achieve*

Monday 5<sup>th</sup> October 2015

Dear parents,

### **Log In for the School Website and App**

You will now find parent log in details for the school website glued inside your child's communication book. This will allow you to log in to view recent letters and see your child's current attendance. If you have a Smart Phone it is well worth downloading the App version as it will notify you when you have a new letter and it is very straight forward to use. To download the App open the Finstall website on your phone or tablet and on the home page there should be a link to download the App. If you need any pointers please see one of the Reception team or myself.

*It is worth noting that parents with children already attending Finstall will continue to use their existing parent log in and so won't have been issued with a new one. If you have misplaced this information or need a password resetting please drop a note in to your child's communication book.*

### **Log In for the School Website and App**

If you haven't yet had chance to register to receive regular email updates from '2Build a Profile' it's not too late. You will then receive regular updates via email about your child's progress accompanied by pictures of the things they have been doing in school. You should have received an initial welcome email asking you to subscribe to further updates. If you have not received this check your 'junk' folder, or see one of the Reception staff or myself for further advice.

Many thanks

Mr M Mason  
Deputy Head Teacher
